Other supporting documents (optional) 9. Confirmation page
--	---	--

Additional Requirements of Individual Departments are listed below.

College of Electrical Engineering and Computer Science

Department	Fall Semester	Spring Semester	Departmental Requirements	Course
Department of Electrical Engineering	V	V	Undergraduate Basic Chinese and English proficiency are required, in both listening and speaking. Postgraduate Basic Chinese and English proficiency are required, in both listening and speaking.	Most courses are instructed in Chinese. Must take at least one course of the department. (may be adjusted regarding actual situation)
Department of Computer Science & Information Engineering	V	V	Undergraduate (Students from China may not apply for) 1. Applicants from non-English speaking countries are required to submit English proficiency certificates (equivalent to CEFR B1). 2. An average GPA of 3.0 or above is required. Postgraduate (Students from China may not apply for) 1. Applicants from non-English speaking countries are required to submit English proficiency certificates. 2. Autobiography in Chinese and English are required. 3. Two recommendation letters are required.	Undergraduate & Postgraduate Most courses are instructed in Chinese. Must take at least one course of the department/institute.

Department	Fall Semester	Spring Semester	Departmental Requirements	Course
Institute of Medical Informatics	V	V	Master's Only (Students from China may not apply for) 1. Applicants from non-English speaking countries are required to submit English or Chinese proficiency certificates. 2. Autobiography in English is required. 3. Two recommendation letters are required.	Most courses are instructed in Chinese. Must take at least one course of the institute.
Institute of Microelectronics	V	V	Postgraduate Basic Chinese and English proficiency are required, in both listening and speaking.	Most courses are instructed in Chinese. Must take at least one course of the institute.
Institute of Manufacturing Information and Systems	V	V	Postgraduate 1. Applicants from non-English speaking countries are required to submit English proficiency certificates. 2. Applicants are required to submit a Chinese proficiency certificate (TOCFL A2).	Most courses are instructed in Chinese. Must take at least one course of the institute.
Institute of Computer & Communication Engineering	V	V	Postgraduate Basic Chinese and English proficiency are required, in both listening and speaking.	Most courses are instructed in Chinese. Must take at least one course of the institute.
MS/PhD Degree Program on Nano-Integrated-Circuit Engineering	V	V	Postgraduate Basic Chinese and English proficiency are required, in both listening and speaking.	Most courses are instructed in Chinese. Must take at least one course of the program.
Graduate Program of Artificial Intelligence	V	V	Master's Only (Students from China may not apply for) 1. Applicants from non-English speaking countries are required to submit English or Chinese proficiency certificates. 2. Autobiography in English is required.	Most courses are instructed in Chinese. Must take at least one course of the institute.
Master Degree Program on Cyber-Security Intelligence	V	V	Master's Only (Students from China may not apply for) Basic Chinese and English proficiency are required, in both listening and speaking.	Most courses are instructed in Chinese. Must take at least one course of the program.
