

STUDY IN CANADA SCHOLARSHIPS INTERNATIONAL RESEARCH INTERNSHIPS AT POLYTECHNIQUE MONTRÉAL

APPLICATION PROCEDURE (2021-2022)
POLY-MTL Deadline: **March 15, 2021**

Program applicants must carefully follow the instructions below and send their complete application before **March 15, 2021** by email, in one (1) single PDF document to Polytechnique Montréal International (point@polymtl.ca) with in the subject : SCS_ RESEARCH_FAMILY NAME and first name. No incomplete application or application received after 03/15/2021, will be processed.

A complete application includes, in order, the **7 documents** below. All these documents must be downloaded in one of the following formats: .pdf, .jpg, .doc, .docx, .txt or .gif and the size of each document must be less than 5 MB.

First, here are the [criteria and steps to follow](#) to come for a research internship at Polytechnique Montréal.

1. **POLY-MTL Application Form for the Study in Canada Scholarships.**
2. **Proof of citizenship:** a copy of the candidate's passport or national identity card with valid dates and photo. **Note:** a driver's license, permanent residence card, work permit, student card, health card, birth certificate or baptism certificate are not accepted as proofs of citizenship/identity. The national identity card must contain all of the information in either English or French, in addition to the national language of the country/territory. Otherwise, a copy of the valid passport must be provided. Candidates from countries/territories that do not issue national identity cards must provide copies of their valid passports. For candidates from Taiwan, a copy of the candidate's travel document or official identity card and proof of household registration in Taiwan must be provided. The country/territory of citizenship/identity selected in the online application form must be the same as the country/territory of the proof of citizenship/identity.

3. **Proof of full-time enrolment:** a letter in English or French from the home institution, on official letterhead and dated within the last six months confirming that the candidate is currently enrolled in a full-time program (maximum one page). **Note:** copies of transcripts, a student card, or a letter of admission are not acceptable.
4. **Letter of intent from the candidate:** a letter in English or French from the candidate explaining the nature of studies or research to be undertaken; the rationale for study in Canada and for the choice of institution, program and supervisor; and how the proposed program of study or research will relate to their future career (maximum one page).
5. **Letter of support from the home institution:** a letter in English or French from the candidate's instructor, professor or international director on the institution's official letterhead explaining the nature of study or research to be undertaken in Canada and how the candidate and the home institution will benefit from this scholarship program (maximum one page).
6. **Letter of invitation from the Canadian supervisor:** applications for graduate students must include a letter from the Canadian supervisor indicating their willingness to support and mentor the candidate. This letter must be on institutional letterhead, be in English or in French, and be signed. It must describe the nature and scope of the research collaboration with the student's home institution, the support they will receive during the research internship period and how the Canadian institution, supervisor and peers will benefit from the exchange (maximum one page).
7. **Privacy Notice Statement:** a copy of the [Privacy Notice Statement for non-Canadian participants](#) dated and signed by the candidate.
